Introduction

- An exeat must be submitted whenever a student plans to be absent from lessons and/or wants to leave the city of Cambridge. This includes attending university open days. Exeats must be submitted 7 days before the requested date they are to be away from college.
- Students are permitted a maximum of 10 overnight exeats in any one academic year. It is expected that this will be a maximum of 4 in the Autumn Term, 4 in the Spring Term and 2 in the Summer Term.
- No overnight exeats are allowed in the city of Cambridge unless students are staying with parents or close family members who are visiting and who fully meet the criteria of a responsible adult.
- The CATS Cambridge Exeat Policy should be read in conjunction with the Safeguarding Policy and the Student Handbook.

Procedure

There are three reasons where the college requires permission from parents to allow their children to leave the supervision of the college.

1. Holiday Leave,
2. Overnight Leave in the UK (U18)
3. U16 Day Leave

The leave request must be submitted by the student on REACH.

The following details are required in order to process the request:

- The date and time of the student's planned departure/return
- The students phone number (if they are going outside of the UK, they also need to include one which works outside the UK)
- The FULL postal address including post code
- Any under 18-year-old students must include the full name and phone number of the responsible adult with whom they will be staying. Responsible adults (Hosts) must be aged over 25 and should be known to the parents/agent/guardian. We will often speak to them before any request is approved, the details of the 'approved host' (NB a 'approved host' must be listed as a 'guardian' with the school. Parents themselves and recognised 'guardians' are already in the 'approved host' list in REACH. A responsible adult can become an 'approved hosts' by parents sending the full name, age, relationship to student, address, mobile number, email address and a scanned photo of an ID to the school's Student Services team).
- If traveling abroad flight details must be included and the ticket must be uploaded to REACH before the exeat is authorised.
- O16 day exeat requests must be submitted not less than 48 hours before the start of the exeat.

Parental permissions can only be accepted from the student's exeat connection listed on REACH.

The college uses a system called REACH which has a simple and effective mobile app that is helpful for students, parents and staff.

- Students use REACH to apply for leave.

- Requests for Overnight / holiday leave should happen at least 7 days before the planned time of departure. This means that for a departure on Friday evening, the request must be submitted by Sunday evening.
- The request needs to be separately approved by parents and by Senior Boarding staff.
- Parents receive an automated email from REACH which allows them to approve or decline their child's request.
- Staff receive all this information and decide if the leave request is to be approved, if they need to discuss further with parents, or if it is to be declined.
- Students and parents can always see the status of the leave requests on the REACH app.
- Parents will be required to provide the following details and documentation to approve a new host:
 - Photo ID of the host (can be a passport copy or UK driver's licence)
 - Proof of address of the host (a utility bill dated within the past three months, or proof of a hotel booking for the dates of the exeat – both of which must have the name of the approved host on the letter/booking)
 - Host's email address
 - Host's UK mobile number, or home country mobile number if they do not have a UK number.
 - What relation the host is to the student, and if they are not a relation, how do they know the student.
 - Travel documents if the student is travelling outside of London or the UK for the exeat (this can be a train, flight, or an applicable travel ticket).

Students aged under 16 who wish to leave Cambridge must be collected and returned by their parent or the nominated responsible adult. The responsible adult will need to show photo ID. It is possible, in exceptional circumstances, for the College to arrange a courier taxi with Airport Lynx **only** if the responsible adult cannot collect or return the student to the Boarding House. Airport Lynx drivers will be instructed that they may only release the student to another adult's care once they have confirmed that the responsible adult is the same person as that listed on the authorised exeat. In the event, that no adult is present or a different adult attempts to take responsibility for the student, the Airport Lynx driver will be instructed to return the student the College, all additional costs will be recharged to the student's account.

Head of Boarding, Deputy Heads of Boarding and HD approve or decline exeats. Students will be informed when their exeat has been declined.

Approval of Exeats

Reasons for declining an exeat may include but are not restricted to: behavioural issues; poor attendance; the exeat not being submitted on time; not having parental permission; not having been completed correctly; containing incorrect information; **or if the College has any concerns regarding the safety of the student and their proposed time away from College**. Appropriate action and sanctions will be taken if information on the exeat is found to be untruthful or deceiving.

Even though the student will be away from College, the Independent Schools Inspectorate, which checks that we comply with UK regulations, make it clear that we still have responsibility to ensure that students are safe and appropriately supervised. They say:

'Schools must take the actions they consider necessary to ensure the well-being of pupils and that this will include ensuring they have knowledge of, and record, those into whose care pupils are released from school supervision. If schools have any concern or uncertainty about such individuals, they have a duty to act in the best interests of the child.'

We must know when students are away from College, where they are and who they are with. Just because the details on an exeat 'tick the boxes' it does not necessarily have to be approved. When a member of staff has any concern about an exeat that they are unable to satisfactorily resolve with the student and/or their family, the member of staff must raise those concerns to the Head of Boarding/Deputy Head of Boarding or in their absence the DSL or Deputy DSL. It is breach of the Safeguarding Policy if these procedures are not followed.
