AIM

CATS Cambridge/CSVPA has a specific duty to safeguard the health and safety of visitors to premises under its control (Health and Safety at Work Act 1974 Sections 3 & 4). Proper supervision of access is also important for security reasons. In this policy, visitors will also include contractors appointed to undertake maintenance related works on CATS Cambridge/CSVPA premises and visiting guest speakers invited to the institution for curriculum enrichment and academic support.

This policy also takes into account and has regard to the National Minimum Boarding Standards 19.4 All persons visiting boarding accommodation or staff accommodation (e.g. visitors, outside delivery and maintenance personnel) are kept under sufficient staff supervision to prevent them gaining unsupervised access to boarders or their accommodation. General guidelines are that all visitors will be met on arrival and supervised throughout the duration of their visit. Specific procedures are in place to issue, and monitor, the use of a 'visitor pass' system which includes a signing in book for Varsity and Elizabeth House residences. The responsibility for the visitor rests with the CATS Cambridge/CSVPA member of staff that the visitor is visiting.

CATS Cambridge and CSVPA also recognise the value that external guest speakers bring to the School and its students, and we seek to encourage the provision of enrichment to learners and staff through exposure to high quality visiting speakers and organisations, as well as meeting our statutory obligations of the Prevent Duty Guidance published in July 2015 (last amendment 2023).

We confirm our commitment to freedom of speech, however this policy seeks to reduce the likelihood that visiting speakers or organisations might seek to promote extremist views or attempt to radicalise students and staff.

We are committed to ensuring a balance of differing views is achieved across time from our visiting speaker schedule.

STUDENTS

Students must not admit any outside visitors to Boarding Houses without authorisation from a senior member of Boarding staff. Again, such visitors must wear visitors' badges and be accompanied by the student at all times.

CONTRACTORS

In the case of contractors carrying out repairs to the premises, the responsibility rests with the Operations Manager. Regular contractors that are DBS checked can be left to carry on with their works so long as they are signed in and briefed by the Maintenance/Operations Manager. These visitors will be required to show identification upon arrival and the member of staff manning Reception will sign to say that it has been checked.

Where it is likely that the visitor will be required to work on the premises for a considerable period of time, i.e., sufficient for them to be provided with a security pass, then they must be inducted by the Schools Operations Manager as appropriate.

VISITORS IN GENERAL

General guidelines are that all visitors will be met on arrival and supervised throughout the duration of their visit. Specific procedures are in place to issue and monitor the use of a 'visitor pass' system.

VISITING SPEAKERS

Definitions

Prevent is the government's strategy to stop people becoming involved in violent extremism or supporting terrorism, in all its forms.

Extremism is defined by the UK government as 'Vocal or active opposition to fundamental British values and calls for the death of members of our armed forces, whether in this country or overseas'.

Procedure

This policy applies to all guest speakers visiting cats Cambridge/CSVPA whether the visit has been arranged by a member of staff or students.

Organisers of a visiting speaker or event should, in advance of the event, complete appropriate checks which includes consideration of the speaker(s) and content of any presentation and the potential audience to whom it is intended to be delivered.

Visiting Speakers must have due diligence checks conducted to ensure that the material they are speaking on fits the remit of the school and does not lead to students being at risk of being drawn into terrorism or terrorist ideology.

The checks should be discussed with the organiser's line manager prior to confirmation of the visiting speaker. If the line manager has concerns about the speaker's content, or any other aspect of the event, s/he should discuss concerns with the Designated Safeguarding Lead.

The checks should be completed and submitted for authorisation at least 5 working days before the proposed event.

Where any visiting speakers or organisations address students, the organiser must ensure that at least one member of staff, who has received Safeguarding and Prevent training, is present at the event, to ensure that any extremist views presented at the event can be challenged.

The speaker must be accompanied at all times and not be left alone with students and to have completed the sign in and out procedures.

Records of all external speakers attending CATS Cambridge is held in a spreadsheet database called "External Speakers CATS CB". This can be found on *SharePoint/Administration/Visitors* and is administered by the Assistant Principal (Pastoral Care and Personal Development).

STAFF GUEST POLICY

Our aim is to provide a fully safe and supervised environment for students. We accept that live-in positions mean that Boarding Houses are also staff members' homes, but the needs of the students must be met foremost. This policy is designed for live-in staff and addresses the access rights that their visitors have to the boarding environment.

CATS Cambridge/CSVPA allows visitors into School accommodation provided they sign in with the House Leader on duty on arrival and sign out with House Leader when leaving the Boarding House. The visitors must be fully supervised throughout their visit and ensure they are only visiting during a staff member's 'non-duty hours', i.e. a member's day off or during 'breaks times'.

Overnight visitors are only allowed when the Boarding House is closed and when no students are present unless with prior authorisation from the Head of Boarding/People Business partner.

When Boarding Houses are open, residential overnight visitors must have:

- Completed an Enhanced DBS check with CATS Cambridge/CSVPA
- Participated in an interview with the Head of Boarding
- Signed to adhere to the Visitor's Code of Conduct
- Received a safeguarding induction

Staff members will be responsible for any guest deviation from the Visitor's code of conduct including during evacuations and other reasonably foreseeable circumstances.

This policy takes into account and must be read in conjunction with the CASL Safeguarding and Child Protection policy.
