Aims

1. Introduction

CATS Cambridge and CGS Group aims to:

- Run an ECT induction programme that meets all the statutory requirements underpinned by the Early Career Framework (ECF) from 1 September 2024.

- Provide ECTs with a supportive environment that develops them and equips them with the tools to be effective and successful teachers.
- Ensure all staff understand their role in the ECT induction programme.

2. Inductions that started before 1 September 2021

- Before the changes, the induction period was one year. Teachers serving this shorter induction used to be called NQTs.
- NQTs who started but did not complete their induction by 31 August 2021 are now referred to as 'transitional ECTs'.
- From 1 September 2021, all ECTs need to complete a 2-year induction period.

3. Legislation and statutory guidance

This policy is based on:

- The Department for Education's (DfE's) statutory guidance [Induction for early career teachers \(England\)](#) from 1 September 2021 (revised April 2023).
- The Early Career Framework Reforms [Changes to statutory induction for early career teachers \(ECTs\) - GOV.UK \(www.gov.uk\)](#)
- [The Education \(Induction Arrangements for School Teachers\) \(England\) Regulations 2012](#)
- The 'relevant standards' referred to below are the [Teachers' Standards](#).

4. The ECT induction programme

- Teachers who start their induction are now known as 'early career teachers' (ECT's).
- The CATS Cambridge induction programme will be underpinned by the ECF, enabling ECTs to understand and apply the knowledge and skills set out in the ECF.
- Prior to the ECT serving their induction, the Head Teacher and the appropriate body (ISTIP) must agree that the post is suitable.
- For a full-time ECT, the induction period will typically last for 2 academic years. Part-time ECTs will serve a full-time equivalent. Up to one term of continuous employment may count towards completion of the induction period.
- The CATS Cambridge induction programme is quality assured by ISTIP.

5. Posts for induction

Each ECT will:

- Be provided with the necessary employment tasks, experience, and support to enable them to demonstrate satisfactory performance against the relevant standards throughout, and by the end of, the induction period.
- Have an appointed induction tutor, who will have qualified teacher status (QTS).
- Have an appointed induction mentor, who will have QTS.
- Have a reduced timetable to allow them to undertake activities in their induction programme; in their first year, this will be no more than 90% of the timetable of our existing department teachers at CATS Cambridge 25 teaching lessons per week, and in their second year, this will be no more than 95% of the timetable of our existing teachers 25 lessons per week.
- Will teach both KS4 and KS5 for each year of their induction programme.
- Be allocated 20 lessons teaching time in year 1 and the ECT+ 22 lessons teaching time in year 2 (note each lesson is 55min)

- The ECT will also be allocated 1 lesson per week with their mentor which is applied to their weekly timetable.
- In their second term will be allocated a form class, initially as a co-tutor and progress to becoming a full time form tutor
- Regularly teach the same class or classes.
- Take part in planning, teaching and assessment processes with other teachers working in similar posts.
- Not be given additional non-teaching responsibilities without appropriate preparation and support.
- Not have unreasonable demands made upon them, including cover.
- Not normally teach outside the age range and/or subjects they have been employed to teach.
- Not be presented with unreasonably demanding pupil discipline problems on a day-to-day basis.
- ECTs may not involve additional non-teaching responsibilities without the provisions and support of the induction mentor

6. Support for ECTs

CATS Cambridge will support ECTs with:

- A designated induction tutor and mentor who will provide regular monitoring and support, and co-ordinate their assessments.
- A designated induction tutor and mentor, who will provide regular structured mentoring sessions and targeted feedback.
- Observations of their teaching at regular intervals, and follow-up discussions with prompt and constructive feedback.
- Regular professional reviews of their progress, to take place termly (except in terms where formal assessment is held), at which their induction tutor will review objectives and revise them in relation to the relevant standards and their current needs and strengths.
- Opportunities to observe other teachers, either within the school or at another school with effective practice.

7. Assessments of ECT performance

- Formal assessment meetings will take place in the final term of the ECT's first year (term 3) and the final term of their second year (term 6) and will be carried out by the induction mentor from ISTIP.
- These meetings will be informed by clear and transparent evidence gathered from progress reviews during the preceding assessment period and drawn from the ECT's work as a teacher and from their induction programme. Copies of the evidence will be provided to the ECT and ISTIP.
- After each formal assessment meeting, a formal assessment report will be completed that clearly shows how the ECT is performing against the relevant standards. The Head Teacher will also recommend to appropriate body (ISTIP) in the final assessment report at the end of the programme as to whether the ECT's performance is satisfactory against the relevant standards.
- The ECT will add their own comments, and the formal assessment report will be signed by the headteacher, induction tutor and the ECT.
- A copy of the formal assessment report will then be sent to ISTIP. The final assessment report will be sent within 10 working days of the meeting, for the appropriate body to make the final decision on whether the ECT has passed their induction period.
- In the event that the ECT leaves this post after completing one term or more but before the next formal assessment would take place, the induction tutor or Head Teacher should complete an interim assessment to ensure that the ECT's progress and performance since the last assessment is captured.

8. At-risk procedures

If it becomes clear during a termly progress review or at the first formal assessment point that the ECT is not making sufficient progress, additional monitoring and support measures will be put in place as soon as possible, meaning:

- Areas in which improvement is needed are identified.
- Appropriate objectives are set to guide the ECT towards satisfactory performance against the relevant standards.

An effective support programme is put in place to help the ECT improve their performance.

- The progress review record or formal assessment report will be shared with the appropriate body, alongside the support plan, for it to review.
- If there are concerns about the ECT's progress during their subsequent progress reviews or formal assessment, as long as it is not the final formal assessment, the induction tutor or Head Teacher will discuss this with the ECT, updating objectives as necessary and revising the support plan for the next assessment period.

9. ECT pay progression

The 2-year induction has no adverse impact on ECTs' pay or career progression opportunities. ECTs are still able to progress both during and after induction.

10. Roles and responsibilities

10.1 Role of the ECT

The ECT will:

- Provide evidence that they have QTS and are eligible to start induction.
- Meet with their induction tutor at the start of the programme to discuss and agree priorities and keep these under review.
- Agree with their induction tutor how best to use their reduced timetable allowance and guarantee engagement with their ECF-based induction.
- Provide evidence of their progress against the relevant standards.
- Participate fully in the monitoring and development programme.
- Participate in scheduled classroom observations, progress reviews and formal assessment meetings.
- Agree with their induction tutor the start and end dates of the induction period, and the dates of any absences from work during the period.
- Keep copies of all assessment reports.

When the ECT has any concerns, they will:

- Raise these with their induction tutor as soon as they can.
- Consult with their contact at the appropriate body at an early stage if there are difficulties in resolving issues with their induction tutor or within the school.

10.2 Role of the Head Teacher

The Head Teacher and Senior Deputy Head:

- Check that the ECT has been awarded QTS and whether they need to serve an induction period.
- Agree, in advance of the ECT starting, who will act as the appropriate body. (ISTIP)

- Notify the appropriate body when an ECT is taking up a post and undertaking induction.
- Make sure the ECT's post is suitable according to statutory guidance (see section 4.1 above).
- Make sure the induction tutor is appropriately trained and has sufficient time to carry out their role effectively.
- Make sure the induction mentor is appropriately trained and has sufficient time to carry out their role effectively.
- Make sure an appropriate ECF-based induction programme is in place.
- Make sure the ECT's progress is reviewed regularly, including through observations and feedback of their teaching.
- Make sure that formal assessments are carried out and reports completed and sent to the appropriate body.
- Maintain and keep accurate records of employment that will count towards the induction period.
- Make sure that all monitoring and record keeping is done in the least burdensome and most streamlined way.
- Make the governing board aware of the support arrangements in place for the ECT.
- Make a recommendation to the appropriate body on whether the ECT's performance against the relevant standards is satisfactory.
- Participate in the appropriate body's quality assurance procedures of the induction programmes.
- Keep all relevant documentation, evidence and forms on file for 6 years.

10.3 Role of the induction tutor

The induction tutor will:

- Provide guidance and effective support to the ECT (with the appropriate body where necessary).
- Provide an in-school induction programme that will develop the ECT and fit in the context of the school.
- Carry out regular progress reviews throughout the induction period.
- Undertake 3 formal assessment meetings during the induction period, coordinating input from other colleagues as appropriate.
- Carry out progress reviews in terms where a formal assessment doesn't occur.
- Inform the ECT following progress reviews of their progress against the relevant standards, and share records with the ECT, Head Teacher and relevant body.
- Inform the ECT during the formal assessment meeting of the judgements to be recorded on their formal assessment record and invite the ECT to add their own comments.
- Make sure that the ECT's teaching is observed, and feedback is provided.
- Make sure the ECT is aware of how they can raise concerns about their induction programme or their personal progress, both within and outside of the school.
- Take prompt, appropriate action if the ECT appears to be having difficulties.
- Make sure that all monitoring and record keeping is done in the least burdensome way, and that ECTs are not asked for any evidence that requires the creation of new work.

10.4 Role of the induction mentor

The induction mentor will:

- Regularly meet with the ECT for structured mentor sessions to provide targeted feedback.
- Work with the ECT, and colleagues within the school who are involved in the ECT's induction, to help make sure the ECT receives a high-quality ECF-based programme.
- Provide, or arrange, effective support – including subject-specific, phase-specific, coaching and/or mentoring.
- Act promptly and appropriately if the ECT appears to be having difficulties.

10.5 Role of the governing board

The CGS Governing Board will:

- Make sure the school complies with statutory guidance on ECT induction.

- Be satisfied that the school has the capacity to support the ECT.
- Make sure the Head Teacher is fulfilling their responsibility to meet the requirements of a suitable induction post.
- Investigate concerns raised by the ECT as part of the school's grievance procedures.
- If it has any concerns or questions, seek guidance from the appropriate body on the quality of the induction arrangements and the roles and responsibilities of staff involved in the process.
- If it wishes, request general reports on the progress of the ECT on a termly basis.

11. Monitoring arrangements

- This induction policy will be reviewed annually by the Deputy Head – Teaching & Learning and Senior Deputy Head Teacher and any changes to the policy will be resubmitted to the Board for approval.

12. General Data Protection Regulation

- All data within this policy will be processed in line with the requirements and protections set out in the UK. General Data Protection Regulation and the Data Protection Act 2018.
